Previous work experience includes 25 years in the entertainment industry as a professional singer, dancer and actress.

Highlights include:

- *Sister Act* - Broadway
- *Wicked* -Chicago Original Cast and National Tour
- *Disney's Beauty & the Beast* - National Tour
- Many National and local commercials and other shows.
- Was elected Deputy for the Actors Equity Union for 3yrs: Responsibilities included being a mediator and direct liaison between the cast and upper management, dealing with many issues ranging from safety to employee-employer boundaries. This position gave me ample experience in a leadership role.
- Highly skilled make-up artist - training provided by my fruitful career and from observing many professional artists while on set, also received ample classes continuing this education at the Skin and Spa Institute.
- Acted as skin consultant to many in my profession upon gaining knowledge from my own self-study. Recommended and provided products to many of them, all with satisfactory results. This has continued to present day.

Other positive qualities include being an excellent communicator and comfortable in any situation. I possess a strong knowledge of people skills, understanding of the importance of attitude and strong work ethic. I also lived overseas for 6 years, which has naturally expanded my mindset towards the world.

- **Lastly, I LOVE skin care and services geared toward helping others discover and reclaim their own beauty. Thru the sharing of skin knowledge, encouragement towards a healthy lifestyle, beautifully manicured hands and feet, and customized, skillful make-up personal radiance blossoms.**

Able to provide strong references and portfolio upon request.

Thank you!
